Bantams Advance To Semi-Finals

WIN 5 - 4 IN OVERTIME SUNDAY

Minden hockey fans have come alive with the continued success of the Minden Bantams. With two straight wins over Keene in the quarter finals, the Minden Club now advance to the OMHA Semi-Finals.

The Minden Club has been a team, to come from behind all winter — this was the same story Sunday afternoon in Keene. With one second left to play in the game, and trailing 3-2, Bev. Hicks fired a rebound, left by Bill Leary, to tie the game forcing an overtime period.

In the overtime period there was no question who had the better team. Minden fired in two goals, forcing the play till the final buzzer.

MOXAM SPARKLES — DEFENCE SHINES

Through regular schedule play it has been an up and down season for young Wayne Moxam, who plays between the pipes. It has been the same for the Bantam defence, made up of Bill Little, Scott Harvey, Royce Miller and Lee Bull — since coming into the play-offs, these five players have hit their stride, playing a big part in the clubs success.

Wayne Moxam, who still has two years left as a Bantam, sparkled in the Keene series, with one outstanding save after another. His play completely frustrated the Keene forwards turning aside some fine efforts.

The first line of Jeff Campbell,

Bill Leary and Bev. Hicks, have supplied the scoring punch, this trio is as good as any line in this classification, when their giving a hundred per cent.

One must not overlook the fine effort being turned in by the second string players of Bob Arbuthnot, Tim Hughes, Wayne Harrison and Steven Mackenzie. This line of players have been doing a fine job checking and skating both ways. The team also have a fine back-up goaltender in Warren Payne.

To go this far in a season, and continue into the Ontario final rounds, a team must have good goalkeeping, solid defence and hard skating forwards. This has been the play coach Don Campbell has been getting out of his players in the play-offs.

At the end of the first period — (Continued on Page 5)

MINDEN'S 16-YEAR-OLD RACER, PAUL PRENTICE

STEALS SHOW AT MOSPORT ON WEEKEND

Minden's 16-year-old crafty snowmobiler was the big winner of over six hundred dollars, at weekend.

Young Paul Prentice managed to out-class older drivers to capture three firsts and one second place finish at Mosports first snowmobile meet. The Mosport track is Canada's finest speed car race-way, but gave way this past weekend to the ardent snowmobilers.

Paul was first in the 300cc modified, second in the 370cc modified in which he drove his 300cc machine, first in 600cc stock, and first in the 600cc modified.

Races were run over the road used for car races. Snow conditions were bad at the start and grew worse during the day. Riders had to cope with bare pavement, foot-deep heavy snow and stretches of water six inches deep on the two and a half mile circuit.

To the victors go the spoils, and so Paul with his wins at

Mosport hit the daily papers in Toronto. His father Bill was quoted in the Globe and Mail as saying, "This has been our best winter. I used to race with Paul. Now he rides and I handle the wrenches." As every racing driver knows, the mechanic plays a big part in the racers success. With this in mind, one could say father Bill handles those wrenches pretty well.

The snowmobile meet was a first for Mosport. Sponsored by the Kinsmatries from Quebec, Ontario and Manitoba. The club hopes to make snowmobile racing an annual event at the park. Though very little effort was made to draw spectators to this meet, about 200 persons were in the stands. As for the number of entries, some 237 machines were on hand for the races.

We congratulate Paul on behalf of the community, for putting the village of Minden on the map, and hope he has continued success on the snowmobile circuit.

ALL THE WAY TO THE ONTARIO SEMI - FINALS

Pictured here is the Minden Bantams who eliminated Keene on Sunday afternoon to advance to the Ontario Semi - Finals. Front row L. to R. Steven Mackenzie, Wayne Harrison, Wayne Moxam, Warren Payne, Lee Bull, Scott Harvey. Back row, Floyd Miller Manager, Tim Hughes, Jeff Campbell, Bill Leary, Bill Little, Bob Arbuthnot, Bev. Hicks, Royce Miller, Don Campbell Coach.

HERE AND THERE

by FENWICK FINCH

If there has ever been a "nothing" week, last week was it. Hardly any mail — only one telephone call (I'll tell you about it later) Everybody nice to me — but — nothing seemed to happen. This week's column has got to be the year's worst — there just ain't nothin' cookin'.

* * * *

The telephone call was from operator "13" taking me to task for overlooking a gentleman in Minden who does a great deal of work, "behind the scenes" with little or no recognition.

Operator "13" mentioned the fact that I had commented on the good job Earl Hewitt and his henchmen did in keeping the streets open and in good shape. But, I had overlooked one gentleman who did yeoman work in keeping things clean — Angus Coulter. It is not unusual to see Angus out at five o'clock in the morning sweeping and generally keeping the main street and its environs dust-free and highly presentable.

I can't vouch for the five o'clock bit but I do know that Angus does an exceptional job in keeping things in order.

* * * *

In keeping with their code of offering the travelling public "the best" the Wagon Wheel has just completed a new addition to their dining room. This new "Rec." room offers more space for banquets and general comfort to their patrons.

Like all my descriptions of anything I see the best I can come up with is "go, see it for yourself, then you'll have a better idea."

Don Nye, the proprietor and the owners, Art and Rita Hodgkinson are well-known for their realistic and imaginative ways of decorating. This new "Rec." has to be seen to be appreciated.

By the way, their food and coffee is excellent — which makes a perfect combination. Good food in pleasant surroundings.

* * * *

Speaking of signs I couldn't help but think of this when the recent T.B. chest clinic was at the Anglican Church. The sign could have read — "Every Chest of Bust."

* * * *

Here's something to think about. If you want to know about yourself don't ask your friends — let your enemies tell you.

Friends are wonderful for our self-esteem; they smooth out the hard places and give us a lift when we need it. But, if you want an honest picture of yourself just listen to your enemies describe you. It may be a caricature — and a cruel one — but they'll put their finger on your outstanding fault, and that's something to be eternally grateful to them for.

* * * *

Still nothing from the author of the poem on "pollution" — don't look like whoever it is can stand bright lights. Ah well, perhaps it's just as well.

* * * *

That's it for another week — like I said, a "nothing" week. Just Nothin' happened.

Until next week, think of this scientific fact — "A sweater girl is one who knows that it's possible for a man to concentrate on two things at once."

* * * *

See you next week. Drive carefully — the tourists are back and the driving is getting tough again.

Fenwick

MINUTES OF THE COUNCIL MEETING TOWNSHIP OF STANHOPE

Moved by John W. Down, Seconded by William Cowen, resolved that the minutes of the previous meeting be adopted as read. Carried.

Moved by Eric Cross, Seconded by John W. Down, resolved that a sign made for "Stanhope" hat the clerk be authorized to Municipal Office" same to be installed after approval of council, color to be black lettering on white background. Carried.

Moved by William Cowen, Seconded by John W. Down, resolved that a deed be drawn for property acquired by the Township of Stanhope from John Kinsman in 1967, being part of Lot 16 Con 3. Stanhope. Carried.

Moved by John W. Down, Seconded by William Cowen, resolved that tenders be called for the crushing of 3000 cubic yards of three quarter inch gravel, 1000 cubic yards of five eighths inch gravel and 400 cubic yards of screened sand, subject to the approval of the District Engineer. Carried.

DOES THIS THRILL YOU TO PIECES?

A full page advertisement in the Telegram's Week-end Magazine bears the caption "Item 8 of the Income Tax Guide will thrill you to pieces".

We know of at least one Minden workingman who doesn't find income tax very thrilling under any conditions.

He has good reason to fail to respond to the thrill the Dept. of National Revenue gives him every week that he works — In point of fact, he is more chilled than thrilled.

Married with one child, he finds it hard to understand how he is supposed to support them on a weekly income of \$67.20 from which the Dept. of National Revenue appropriates \$7.54 in income tax.

Is he thrilled to pieces when he realizes that the government is spending his hard-earned money on full page advertisements and via other media to tell the people that "Item 8 of the Income Tax Guide will thrill you to pieces"?

Not very much he isn't !!

* * * *

NATIONAL BLOOD TRANSFUSION SERVICE

March is Red Cross Month in Canada. Many will recall ambulances with the large insignia bouncing down some dusty road, a bewildered soldier receiving plasma. Memories of war!

In peacetime the Red Cross today has expanded its services and programmes until it is now one of the largest voluntary agencies in Canada.

The National Blood Transfusion Service is one of the most important services operated by the Red Cross. It is responsible to the Canadian people for locating nearly one million voluntary blood donations this year to ensure that patients in hospitals from Newfoundland to British Columbia will get necessary blood transfusions. And they will receive it without charge.

The plastic blood pack hanging near the operating table means that the types of surgery unheard of even ten years ago will be carried out as part of the normal routine.

Behind each blood pack stand the men and women of the National Blood Transfusion Service: the volunteers and staff who conduct clinics and recruit donors, the haematologists and technologists who critically test and crossmatch nearly 15 railway tank cars of Canadian human blood every year.

This is the story of people serving people under the Red Cross banner. Remember that story during Red Cross Month.

When the Red Cross Volunteer asks for your support, please be generous with your donation. Those you help will always remember.

LETTER TO THE EDITOR

March 5, 1968

12 Overlea Blvd.,

Toronto 17, Ontario.

May I express, on behalf of the entire Rehabilitation Foundation for the Disabled, our appreciation for the help you gave us during the recent March of Dimes campaign for funds.

Thanks to people like you and your organizations, we are able to say that from results received so far, the campaign was a huge success. It is now certain that we will be able to carry on our work for another year — assessing the capabilities of the disabled, operating workshops as stepping stones to employment in industry, educating the public and, in general, acting as spokesmen and guarantors for those who, through no fault of their own, have a handicap.

It is gratifying to see that, more than ever before, Ontario newspapers, radio stations and television stations supported our campaign this year not just with willingness, but with enthusiasm. In doing so, you and other members of the news media have given a boost to the disabled of this province, helping them to help themselves.

When we have final figures on this year's campaign we will be sending you the complete story also our financial statement when it is ready. Meanwhile, we trust you will be as pleased as we are with the results. You have been of real help in garnering the appreciation, understanding and involvement of the public in all we stand for, and we are most grateful.

Yours sincerely,

J.J. McGill

Chairman.

Public Education.

HALIBURTON COUNTY PUBLIC LIBRARY HOLD LIBRARIAN'S WORKSHOP

The Haliburton County Public Library sponsored a Librarian's Workshop for the Library Branch Supervisors and their Assistants with Mr. N. McNeill, the County Librarian, on the afternoon of Wednesday, March 6th. The Library Branch Supervisors represented the Branches at Cardiff, Wilberforce, Gooderham, Haliburton, Lochlin and Minden.

There was a book exchange in which each Branch received 150 books of the Supervisor's choice.

Following the exchange there was a brief meeting to discuss library business. Mr. McNeill asked the Library Supervisors to in-

form their members of a lecture on film-making which is to be given on March 16th at 8 o'clock by Mr. Rogers of the National Film Board. This speaker and a film are being sponsored by the Guild of Fine Arts in co-operation with the Library Board. Mr. McNeill also informed the Supervisors that the Library Board hopes to offer a mail-order service to those who cannot reach one of the local libraries.

Two film-strips designed to help the Library Supervisors with their job were shown. The group then gathered in the County Office for a lunch.

POEMS OF THE HIGHLANDS

By Burleigh Wallace

SPRINGTIME IN THE NORTH

It is springtime in the Northland,
Comes the robin and the crow,
Heralds of a fragrant season,
Which no Southern clime can know.

Nature calls her many children,
Winter's blanket takes away,
Which she greatly spread above them,
On the chill November day.

Floods are seeking lower levels,
Now the kiddies have a thrill
Launching little make-shift schooners,
Where the creek runs down the hill.

Lambs are playing on the upland,
Bright against the skies' blue sheen;
Youth and springtime intermingled
O'er the hilltop's early green.

Oh to journey through the woodland,
There to hear the redbreast sing;
In the flower scented valley,
Nature's banquet to her king.

SPRING IS ALMOST HERE !!

NOW IS THE TIME

deceased.

All persons having claims against the estate of the above-mentioned Harry Robertson, late of the Township of Anson, in the Provisional County of Haliburton who died on the 18th day of December 1967, are required to file proof of the same with Annie May Van Winckel, the Executrix of the Estate of the said deceased in care of David M. Bishop B.A. L.L.B., Box 472, Haliburton, Ontario, on or before the 6th day of April, 1968.

After that date the executrix will proceed to distribute the estate, having regard only to the claims of which they then shall have had notice.

Dated at Haliburton, Ontario this 1st day of March, A.D. 1968.

DAVID M. BISHOP, B.A., L.L.B.,
Haliburton, Ontario.

Solicitor for the said Executrix

STANDOUT IN PLAY - OFFS

For a little fellow, Wayne Moxam doesn't mind the rough going. This lad with two more years of Bantam ahead of him, has sparkled in the play-offs. A hockey team needs good goaltending to be a contender — Minden has been getting this from Wayne.

MINDEN BANTAMS ADVANCE TO OMHA SEMI-FINALS

(Continued from Page 1)

In Keene Sunday, the host club led 1 - 0 on a goal by Brian Craib. Craib, the captain of the Keene club was their big gun in this series scoring all of Keene's goals.

In the second period Keene took a two goal lead at the 9 minute mark. Five minutes later Lee Bull scored on a drive from the point.

Both teams came to life in the third period, rushing end to end. Campbell tied the score on a sizzling shot, after taking a pass from Bev. Hicks. Keene came right back to jump into the lead once again. The score remained 3-2 till the 1959 mark of the third period when Hicks scored, just before the buzzer sounded.

In the overtime period Minden jumped ahead quickly on a fine end to end rush by Bill Leary. Jeff Campbell came right back four minutes later, and fired what proved to be the winner. Keene ended the scoring at the 8.25 mark, Craib scoring his third of the night.

MINDEN WIN OPENER 4-1.

The opening game of this series was played here in Minden on Friday evening, with the locals winning 4-1.

In this contest the Minden team

took a four goal lead in the first period, and held on to win.

Bill Leary was the big shooter in this one, scoring twice. Campbell and Hicks picked up singles. Brian Craib scored for Keene.

Wayne Moxam played a stand-out game in this first tilt, stopping some thirty-five shots, this young lad was without question the star performer.

Fifteen penalties were handed out in this series, Minden received ten.

Nice Bowling !!

SPORTS
WITH BOB BEENEY

The Minden Bantams defeated Keene 5-4 on Sunday afternoon in a thrilling overtime game to win the two out of three quarter final series 2 games to nothing.

The game was forced into overtime when Bev. Hicks jammed in a rebound after Bill Leary had drifted a shot in from right wing.

Minden started slowly and found themselves down 2-0 however faced with the possibility of having to play another game in Keene if they lost the game they fought back and pulled off the win.

On Friday night in the opening game of the series the line of Campbell, Leary and Hicks provided the goals to win the opening game of the series by a 4 - 1 score.

In both games Wayne Moxam has played well in goal and stopped many rushes that seemed they would likely end in goals being scored. The team is becoming better balanced as each series progresses. The big line of Campbell, Leary and Hicks has been scoring all the goals except for a couple and have been belting their opponents when needed. They have been skating well although by the end of a game they seem to be leg weary. The rest of the team has been shaping up well and has improved tremendously. The goaltending is being taken care of very capably by Wayne Moxam and Warren Payne.

It has not been decided who the Bantams will face in the semi-finals. I am writing this column Wednesday evening and word who the next opponent will be hasn't been received yet by Manager Floyd Miller.

I understand that Bala, Guthrie and Schomburg are still in the running and any one of these teams could be the opposition in the semi finals.

It was hoped that the series could be started immediately because it was feared that mild weather might ruin the ice in the Arena and all home games would have to be scheduled elsewhere.

The next series will likely be a two out of three although if time permits it is possible that a three out of five game series could be arranged. Attendance by Minden area people is important at any game because it seems that a cheering crowd spurs the team on to a better effort.

If the team stays hot and their desire to win remains then this team could go all the way.

The Minden Minor Hockey Association is holding a draw for a transistor radio in an effort to raise funds that are necessary if the association continues operating any longer this season.

Funds are at an end and if practices and games continue to be held then I would estimate a guess that two or three hundred dollars must be raised immediately. Players will be given books of tickets to sell and it is most important that they distribute them as quickly as possible. If you are approached by a youngster a helping hand would be appreciated. These kids know that the hockey season will end unless they can raise some money.

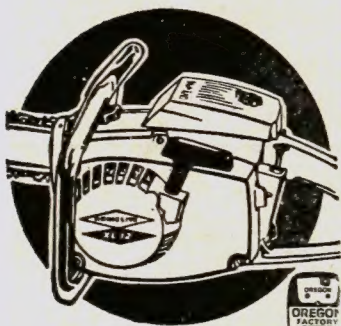

We could have Gleen Hall playing hockey for us in a few years. Maybe not the Glenn Hall your thinking about but still a Glen Hall. Don Hall local insurance salesman is the proud father of a new baby boy who was christened Glenn. Don used to gaurd the twine years ago for the Haliburton Huskies so maybe baby Glenn will take after Dad.

15 LB. TROUT

Kenneth Hill of Newmarket caught this 15 lb. Lake Trout in Hall's Lake Friday afternoon March 8th. Mr. Hill told the Progress he was using a Lake Simcoe shinner on a No. 6 hook. He was fishing in 80 ft. of water.

KINSMEN NEWS

Be a millionaire for a night.

The Kinsmen Club of Minden are having a millionaire's night on Saturday March 23rd, 1968, at the Minden Rod & Gun Club, with games and refreshments.

The \$2.00 admission includes \$100.00 play money, with this play money you may break the bank or go home a rich man, or you may buy more if you need it.

Win, lose or draw we know you will have a good time. Any Kinsmen will be glad to sell you tickets to this evening of fun.

The Kinsmen Club of Minden wish to thank the people of Haliburton County for their help in making their Cystic Fibrosis drive a success.

A cheque for \$150.00 was sent to the Cystic Fibrosis campaign by the Kinsmen Club of Minden to help fight this disease.

There will be Cystic Fibrosis cans placed around the district for the summer. Any donations will be appreciated by the Kinsmen Club and the people who fight C.F.

This is just one of the many organizations being helped by the Kinsmen Clubs, and the Minden Club is very fortunate to have the help of the people of this community.

MISS A.E. BARWELL TO SPEAK AT ROTARY

Members of the Rotary Club of Minden will see and hear "the good old days" on Monday, March 25 at the United Church Hall when Miss Anne Barwell, Bell Telephone lecturer, presents a talk describing personalities and events that have made history since the turn of the century.

With original recordings and slides they'll hear the memorable Boer War song "Good - bye Dolly Grey; relive the emotion of the disastrous arrival of the dirigible Hindenburg and drive a model T, Auburn or Trucker car as they visit with such sports names as Tommy Burns, Roger Bannister and Barbara Ann Scott.

Miss Barwell will bridge these events with historic highlights in the telephone industry.

LET ME EXPLAIN...

CONFEDERATION LIFE'S

DISABILITY BENEFIT

Time off from work, through disability, is no laugh. In fact it's downright unpleasant. There are mounting bills for medical services and medicine, worries over the cost of day-to-day living without an income, and uncertainty about the future.

At a time like this, you need a special kind of help — financial. With a Confederation Life Disability benefit you can replace part of your lost earning power.

For more complete information on this, and other Confederation Life policies, telephone me or mail the coupon. I will welcome the opportunity to talk them over with you, in your home or office.

WOODS, WATERS AND WILDLIFE

By James Woodford
THE WORLD OF THE WOLF

Few animals in history have been more maligned or less understood than the wolf. Now a new book, "The World of the Wolf", provides an accurate picture of the life story of the wolf and should do much to dispel the misconceptions regularly parroted by the wolf-haters.

This fine new book was written by Russell J. Rutter, a first-rate naturalist and Dr. Douglas H. Pimlott, a professor of zoology at the University of Toronto. Both men have had long experience with wolves, in Algonquin Park and elsewhere.

In the introduction the author's state, "In the preparation of this book the authors have had two main objectives in mind, first, to give a reasonably complete outline of all that we know about wolves, either from our personal experience or from the works of others; second, to encourage a more favourable attitude toward an animal which we believe has been misrepresented and persecuted beyond reason for thousands of years."

"We have tried to show what kind of animal the wolf really is — in Algonquin Park wolves are a vital part of the environment." It is up to conservationists, with the support of the public, to make certain that it is ever thus.

There are two excellent chapters in the book devoted to the life history of wolves around the year. There is an absorbing introduction to the newborn pups and an invitation to know them intimately — their diet, habits, entertainment and habitat — through all stages of growth until they reach handsome maturity.

An outstanding feature of the book is the illustrations, chiefly black-and-white photographs by Dr. Pimlott. I would think it will

be increasingly difficult for people to continue hating wolves after they have seen these magnificent photographs.

I cannot recommend this book too highly. It should be read and looked at by everyone in our great province interested in wildlife conservation. A growing army of conservationists are echoing the author's dedication, "To wolves — may men learn to appreciate their right to roam free in the wild places of the world."

OWRC CONDUCTING WINTER RESEARCH ON TRENT SYSTEM

Government "prospectors" who are concerned with water, rather than uranium-bearing ores, are paying monthly visits to eight ice-covered lakes on the Trent system in an effort to unravel a mystery surrounding algae growth.

Dr. Allan E. Christie, of the Ontario Water Resources Commission's Division of Research, is attempting to establish possible links between chemical nutrients in the lakes and the type and quantity of algae which occur there throughout the year.

Each month, Dr. Christie and an assistant trudge across the ice of Kushog, Twelve Mile, Gull Balsam, Sturgeon, Buckhorn, Clear and Rice Lakes, to collect water and algae samples.

An on-the-spot check is made at each hole to determine lake transparency, or the distance light penetrates the surface.

Also, a temperature profile is made, by recording the temperatures of the water at three-foot intervals to a maximum depth of 50 feet with the aid of an instrument called a "tele-thermometer".

Samples are taken to the OWRC's Toronto laboratory for nutrient and other routine chemical examinations, and algal counts.

The program began last spring and sampling was carried out at approximate two-week intervals before freeze-up. It probably will be extended another two years, if data collected so far indicates algae-nutrient links can be determined with present methods.

The Trent was chosen for the study because it is one of southern Ontario's largest river systems, it flows through various geographical areas, and because the chemical and biological make-up of the lakes vary.

If the program is successful, it would be a valuable aid in determining the potential of such lakes as municipal water supply sources.

21 YEARS OLD?

When you turn 21 you are no longer covered by your parents' Hospital Insurance. You must take out individual membership within 30 days. Get your application form at a bank, a hospital, or the Commission.

NEW JOB?

To keep insured follow the instructions on the Hospital Insurance "Certificate of Payment—Form 104" that your present employer is required to give you on leaving.

NEWLY WED?

The "family" Hospital Insurance premium must now be paid to cover husband and wife. Notify your "group" without delay or if you both pay premiums direct, notify the Commission.

Your ONTARIO HOSPITAL INSURANCE Plan

Ontario Hospital
Services Commission,
Toronto 7, Ontario.

HANDLE WITH CARE

"Reaching for a pill" at the first touch of pain or discomfort may have serious consequences. Do we know what ails us or what we are taking? The wrong drug is worse than no drug at all. A drug taken without our Doctor's knowledge makes it more difficult for him to diagnose and treat our ailment, because it may "mask", or cover up, symptoms he would normally expect.

HANDLE WITH CARE, a publication of the Department of National Health and Welfare, tells of safeguards in the use of drugs and warns of the dangers of misuse. Copies are available from your provincial department of health or by writing to the Queen's Printer, Ottawa.

ANGLICAN CHURCH NEWS

ST. PAUL'S INSTALLATION.

REFRESHMENT PERIOD

During the Service of Holy Communion at St. Paul's on Sunday, March 17th. The Rector will install the Sidesmen who were elected at the Vestry meeting in January. To many of the members of the Congregation who see these gentlemen each Sunday acting as ushers, and taking up the offertory, it seems as though their duties end there.

This is far from being the case. Among the tasks they promise to perform when they are installed besides assisting the Incumbent and Churchwardens in the performance of their duties, they contract to make an annual survey of the Parish to provide a list of Anglican families, to notify the Incumbent of any new-comers and strangers, or any one in need etc.

About twenty-five men of the Parish will be carrying out this work, under the chairman of Sidesmen, Mr. J. Earl Hewitt. Many of the younger generation are included in their number and will be working with the more experienced members.

SERVERS GUILD.

At the above Service, Charles (more commonly known as Chuck) will be admitted by the Rector to the Servers Guild, having finished a probationary period of six months. He is to be congratulated for learning the intricacies of this important work, and for the manner in which he carries out his part in the various Services. At the Service at four o'clock on the same day at St. Stephen's, Boskung, Michael Johnson, to whom the foregoing equally applies, will also be admitted to the Guild. Having become members, and received their Server's Crosses, both these young men will be entitled to act as Servers at any Anglican Church in the Diocese of Toronto. If there are any other young men, who have been confirmed, in the Parish, who would like to become a Server, the Rector would be very pleased to hear from them. There is no minimum age - the only condition is that the would be Server is a Communicant.

LENTEN SERVICES.

All members of the Parish are reminded of the mid-week Lenten Services which are being held at St. Paul's. There is a brief service of Evening Prayer on Wednesday evenings at eight o'clock followed by a short talk and discussion period. On Thursday mornings, at ten o'clock, there is a said Communion Service. Last week the attendance at both these services was encouraging, and the Rector would be pleased to see it build up as Easter approaches.

The week in the middle of Lent, before Mothering Sunday, is traditionally set aside as a break from the severe penitential aspect of this Church Season. There is a custom, which originated in the Church of England, to bake a Simnel Cake for Mothering Sunday, and to give each Sunday schooler a piece to take home to mother. It is hoped to start and carry on this tradition at St. Paul's, beginning with this year's Mothering Sunday. So if all you mothers of Sunday pupils would like a taste of this interesting delicacy, be sure your children are there to pick it up!

CARD PARTY AT ST. PAUL'S

As part of this pause in the Lenten season, the Anglican Church Women will hold a card party in the Parish Hall, at 8 p.m. Friday, March 22nd. The usual tables of euchre, cribbage and bridge will be provided for, and the refreshments, as always, will be delicious. So ring the date on your calendar, so that you can get the shopping done early that night, and still be in time for your favourite game.

A.C.W. MEETING

The A.C.W. will hold their meeting on March 19th. at 8 p.m.

OBITUARY

MINNIE GARTSHORE

Minnie Gartshore, one of Minden's most respected citizens, entered into rest on Monday, February 26, 1968 at Hyland Crest Home.

Born in 1885 at Peterson Corners she was the daughter of the late William and Rebecca Walker and wife of late Frank Gartshore.

Laid to mourn her passing are her family, Carrie (Mrs. Mark Vasey) Edith (Mrs. William Conveybeare) Lorne and Arnold, all of Minden and also 21 Grandchildren and 21 Great Grandchildren.

The funeral service under the direction of John Welch & Son, was held from the Minden United Church on Wednesday, February 28, 1968 at 2 p.m. with Rev. Noel McNeil officiating.

pallbearers were six grandsons, Hugh Vasey, Brian Hallam, Alan Conveybeare, Verne, Craig, and Rev. Gartshore.

The floral tributes were many and beautiful, showing the high esteem in which she was held. Mrs. Gartshore will long be remembered for kind hospitality.
